## November 2024

### **A Message from our President Debbi Kaplan**

*What an honor to serve as your Greenville Kennel Club President, I appreciate your confidence in my ability to lead our pack.*

*If you have been to any retail stores lately you know the holidays are almost here. We just sent out the Christmas Party invitation, please let us know if you don't see it in your email. We were able to reduce the cost for our guests this year, so make sure you bring along your special person.*

*Please mark your calendar and plan to attend our November meeting. There are several important items on the agenda that need your vote. Plus, we have another great speaker this month.*

*Thank you to Meg Pfeiffer and Bob Vandiver for committing their time to join the Judges Selection Committee, they will be working with Kari Hill to insure we have a great slate of judges. We really would like the membership to have a voice in the judges we hire for our shows. If you know of a judge that you feel consistently does a great job and always draws a good entry, please complete the form on our website or email one of the JSC members or me.*

*Planning for our 2025 Shows has already begun and we will need everyone's assistance for another successful event. Please reach out to Mary Roddy or myself if there is a particular position you would like to volunteer to do.*

*If you ever have a suggestion, concern or question, feel free to give me a call or send a text to 864-525-3249 my phone is usually permanently attached. I check my email several times thru out every day, [Debbi@CruiseOneCrew.com](mailto:Debbi@CruiseOneCrew.com).*

*Hope to see you soon and I appreciate everyone's support.*

*Barkacordially,*

*Debbi*

## Membership Meeting

Tues. November 19, 2024

Hospitality 6:30PM

Meeting 7:00PM

Boiling Springs Fire Department, Station 15  
Training Center

208 Blacks Dr Greenville, SC 29615

Plan to attend our November meeting.

There are several important items on the agenda that need your vote.

Our Speaker will be, Dr. Hilliard the owner of Feeling Pawsitive Veterinary Behavioral Solutions and a Resident, American College of Veterinary Behaviorists.

Originally from Leicestershire, England, Dr. Adele Hilliard relocated to South Carolina at age 11. She earned her bachelor's degree in animal and veterinary sciences from Clemson University, followed by her veterinary degree from the University of Georgia in 2014. Dr. Hilliard spent 10 years in general practice before pursuing her dream of becoming a behaviorist. Dr. Hilliard is now a resident in the American College of Veterinary Behaviorists. Dr. Hilliard is under the supervision and mentorship of Dr. Beth Strickler.

Dr. Hilliard has a rich background in shelter medicine, both in the United States and England. During her studies at Clemson and Georgia, she dedicated numerous hours to various adoption agencies, working closely with anxious animals and engaging in public education. She also played a pivotal role in coordinating Shelter Medicine Surgery Activities for veterinary students at Georgia.

Beyond shelter medicine, Dr. Hilliard has explored fields such as preventative medicine, nutrition, and behavior. She actively participated in several organizations, including Vets for Pets and People, which supports abused women, and the Christian Veterinary Fellowship.

Following her graduation, Dr. Adele Hilliard ventured to the western United States, contributing her skills in veterinary medicine to communities in Wyoming and Colorado. She focused on providing both general and affordable veterinary care. In 2016, with the arrival of their first daughter, Dr. Hilliard and her family relocated to Greenville for proximity to their relatives.

Dr. Hilliard's passion within veterinary medicine primarily now lies in animal behavior, helping dogs and cats to be at their happiest in their homes. She values client communication and offers substantial support to pet owners. As a fear-free certified veterinarian, her goal is to ensure a comforting experience for all her patients.

Dr. Hilliard's personal life is enriched by her loving husband, Austin, and their two delightful daughters, Adelaide and Avalene. Their family pet, a playful golden retriever named Angus, has been instrumental in enhancing Dr. Hilliard's expertise in puppy training.

The Hilliard family enjoys a dynamic lifestyle, often engaged in playful pursuits with their daughters and Angus, exploring local mountains and whimsically searching for forest and mountain trolls. Travel is a significant part of their life, with annual trips planned to England. Additionally, Dr. Hilliard has a keen interest in baking, interior design, and exploring diverse culinary experiences.

**President: Debbi Kaplan**

It is a great honor to have the opportunity to serve another term as your Greenville Kennel Club president. We have had great leadership in our club and if selected I will work diligently to continue this path of success. GKC is a prestigious kennel club due to the positive, forward-thinking members, I will do all I can to continue nourishing that environment to make GKC the Best. I became a GKC member in 2015 and served as a board member for 3 years.

To tell you a little about me. As far back as I can remember I have loved and shared my life with dogs. As a 6 year old, I remember my mother taking my brother and me to the GKC dog show at the Greenville Memorial Auditorium every year. We didn't have show dogs back then but she always wanted a Collie, so we never missed the shows. Finally on my 18th birthday I got my first Sheltie puppy, I immediately started taking her to matches and got her CD title and that was the start to my dog show addiction. Later on, Sheltie friends started asking me to show their dogs so eventually I started handling professionally and finished many Shelties, Collies, Siberians (my mother switched to Siberians instead of Collies). I campaigned a Papillion for a few years and always has had a Sheltie special. These days I enjoy just showing my own dogs which also allows me the time for a couple of litters a year. I was a founding and current member of the Spartanburg Shetland Sheepdog Club.

Outside my dog life I enjoy assisting people with their vacation plans. I purchased a CruiseOne & Dream Vacation franchise in 1994. I now have a team of 12 agents working with me and we stay in the top 10% of company sales each year. Who is ready to cruise? It's a fun and exciting business, I have put lots of groups together with TV celebrities, the biggest was Paula Deen and 3000 of her fans. That was a lot of work and quite interesting!

I also love to garden and completed the Master Gardener course. I am a member of the Clarice Wilson Garden Club, one of the oldest and largest garden clubs in Greenville and honored to serve as their President for 2 terms.

About 3 years ago my husband and I moved back to my hometown of Woodruff and bought some acreage in the country. We have almost finished all the renovations to the 60 year old ranch house and the cottage on the property so I am hoping to add a few farm animals soon. The plan was to downsize and slow down but I just don't think it is in our DNA.

Again, thank you and I would be grateful for the opportunity to serve as your President again.

**Vice President: Ron Jacobson**

**Work History:** Many years ago, after graduating from the University of Nebraska with a degree in Business, I went to work with a manufacturing company just outside of Lincoln NE as an accountant. I progressed with the company for several years in other financial jobs before being promoted to a Plant Controller in their Hartwell GA Plant and later to their Anderson SC start up Plant. I remained in those roles before moving back to the Nebraska area in 1991 to be closer to family and friends. In 2005 my wife Pam and I moved to

Clemson where I went to work with Johnson Controls as the Production and Logistics Manager and had production planning responsibility for four manufacturing plants in North America. I remained in that function until retiring in 2019.

**Dog History:** When I was very young, my parents raised Cocker Spaniels, and they were members of the Lincoln Kennel Club. I do not remember much about the shows but enjoyed going to the park to play while they did their obedience and show training with the dogs. While going to college I purchased my first dog which was a blue merle Australian Shepard. Even though AKC did not recognize them at that time, he was a smart, obedient and a loyal dog, the best overall dog I have owned. A then began hunting with two English setters and always enjoyed watching their field work. A few years after moving South for the first time, I purchased my first Gordon Setter which was a family dog. It was not until the second move to the South when we purchased a Gordon puppy, which we never intended to show but he became our first Grand Champion and BBB. We have had two more Grand Champions since then and currently showing our champion bitch.

**Corresponding Secretary: Sharon Smith**

I spent 35 years in education as a first-grade teacher and school administrator. During those years, my husband and I also ran a weekend program for special needs children. After retiring from education, I turned my focus to my dogs. I am part of the AKC Patriotic Puppy Program and started Timberland Farm Labradors. I also have a business called On Top of the Table. I have organized events and created wedding flowers for over 30 years. I enjoy volunteering my time each year to create all the flower arrangements for our dog show, Christmas party and Spring Fling. I have served as the Hospitality Chair for 6 years, Trophy Chair for 3 years and Corresponding Secretary for one year.

### Recording Secretary: Mary Roddy

I am your current Recording Secretary of the Greenville Kennel Club. I live on a 97-acre farm in Waterloo. I am married and have two grown children and 6 grandchildren. I was the Recording Secretary of the Greenville Kennel Club back in the 70's and I showed Chow Chow's. After finishing the two Chow's we owned we decided to stop showing dogs.

From the mid 70's until around 2018 we were very active in showing American Paint Horses. I was very active in the Palmetto Paint Horse Club, holding the office of secretary/treasurer for many years and my husband and I were also A.P.H.A. National Directors. When my daughter graduated from high school, we slowed down showing horses and focused more on breeding where we had 14 broodmares and stood four stallions at our barn. A friend of mine who had Paint horses also had Australian Cattle Dogs. We had on the farm a couple of cattle dogs, so I was familiar with the breed. This friend of mine had been in cattle dogs for over 40 years with many champions. I contacted her and went to see her dogs and wound up purchasing a one-year-old female and an eight-week-old male. These two were my first two champions. Since 2018 I have finished eleven champions. Three in Bred-By, 1 Silver Championship and three Grand Championship. My Silver Championship female was also in the Top 10 Owner Handler last year and she has a Bronze Owner Handler and a BCAT. When I started back showing in 2018 my grandson Jett has been right there with me. He showed his first dog which was the male I purchased at 8 weeks and he finished his Championship and my grandson was only six years old. My other grandchildren would also be showing but they live in Alabama.

I love being a member of the Greenville Kennel Club and serving its members.

---

## Treasurer: Laura Prichard

I am Laura Prichard, happily married to Kevin Prichard. We live in Mauldin, SC, and are active members of the Mauldin Methodist Church, where I enjoy singing in the choir.

I have two wonderful grown children from a previous marriage: Kathyne, an attorney in Philadelphia, and Robert, who works in sales in Chicago.

I graduated from Clemson University in 1983 with a degree in Financial Management and Accounting. For over 40 years, I have built a career in accounting across Pickens and Greenville counties. I am currently the Finance Director at the Greater Greenville Sanitation Commission.

My passions include my beloved Collies and cheering for the Clemson Tigers, a love that has been with me since birth.

My mother, Nancy Reid, founded Keowee Collies in the early 2000's. My husband and I have joined her in the rewarding journey of raising and showing our beautiful dogs. Feel free check us out at [www.keoweecollies.com](http://www.keoweecollies.com).

### Delegate to the AKC: Bob Vandiver

Bob Vandiver entered the dog sport as a Doberman exhibitor when Dobermans were highly competitive (48 bitches for a 3 point major) and most were professionally handled. Bob was determined to finish his own first home -bred Dobe. After a year of showing, studying the standard, and watching other handlers he succeeded in his quest ... AKC Champion Mistel's Arfin' Annie.

From there he finished many championships as he and Nancy bred for their future champions. They bred 35 champions with two earning Top Ten National rankings. He has also competed in performance events and protection trials.

Bob applied to judge Dobermans in 1996 and progressed through the years to become approved for 4 groups (Working, Sporting, Herding, and Non-Sporting), a total of 114 breeds. He has judged in nearly every state. He has judged Westminster 5 times, including the Working Group in 2013 and Herding group in 2018. He has judged numerous prestigious specialties and all-breed shows in the United States, as well as China, Japan, India, South America, Europe, Australia, New Zealand, Philippines, Mexico, and Canada.

At the end of 2024, Bob is retiring from judging after having served for 29 years. He has kept close records of all his judging assignments in the USA. His records show that he has judged 818 shows with 76 Best-in-Shows, 418 Groups, and a total entry of nearly 80,000. For the last few years, he has been judging about 50 shows per year.

He has been actively involved in Dog Clubs as an officer in the Doberman Pinscher Club of America and Chairman of Judges Education. He has been involved in other all-breed clubs as an officer, show chair, or working member.

Bob has been a member of the Greenville Kennel Club since 1986. He has held a number of offices and chairs. He was Cluster Chair for 22 Clusters. He continues to be active in the Greenville Kennel Club and as a Mentor for the Doberman Pinscher Club of America.

Outside of dogs, Bob graduated from Texas A&M University with a degree in Mechanical Engineering. He retired from Fluor as a Project Manager with responsibility for projects in the \$100 million range.

## Director at Large: Tony Childs

I am a native Greenvillian, born and raised! I attended North Greenville Jr College after which I enlisted in the US Navy. After my service as an Aviation Electrician, I began my career in the electronic components industry which lasted over fifty years and from which I finally retired in 2023!

I have had several “adopted” dogs – usually rescues - over the years until 2006 when we got involved with the Petit Basset Griffon Vendéen breed and “show dogs”. Our first was ZZTuX and we started participating in Rally with him. We joined the PBGV Club of America and began an active vocation that has now lasted more than 18 years with no end in sight!

Little did I know that I was going to become a “dog show roadie” assisting my wife as she got into conformation! In conformation we have had a Westminster Breed winner in 2014 and a PBGVCA National Specialty winner in 2019 with Rockin’ Rowdy.

With Willett we have won an AOM at Westminster and other nice placements in Orlando over the years. Willett was also the number one Owner Handled PBGV in 2020 and 2021.

In the past I have participated in barn hunt and currently I am doing AKC Scentwork, FastCAT and Hunt Trials with our PBGVs. I serve as a certified judge for the PBGVCA Hunt Tests. In 2017 Beverly was Chair of the PBGVCA National where I served as the “right hand man.”

In addition to our membership in the Greenville Kennel Club, we are also members in good standing of the PBGV Club of America and are honored to also be members of the Morris and Essex Kennel Club.
